## OBJECTIVE

Third year Industrial Design student with experience in freelance product design, and a background in entrepreneurship seeking a summer internship. A fast learner with a strong work ethic and time management skills developed from being an NCAA division 1 athlete. Able to solve complex problems with simple solutions, and design a variety of products for users of all ages. Comfortable in leadership roles.

## SKILLS

- Rapid Prototyping
- Certified Solidworks Associate
- Fusion 360
- Adobe Photoshop, Illustrator
- Sketching, 3D rendering, Keyshot

## EXPERIENCE

08/2020 - CURRENT **Freelance Product Designer** - Havertown, PA

Projects included product design/development through CAD and physical prototyping, and logo design for independent clients and a non-profit organization.

05/2020 - 07/2020 **Program Participant, Venturelink at NJIT** - Newark, NJ

Participated in an invitation-only, eight week, virtual startup incubator. Worked toward moving an original prototype into a marketable product through workshops, networking opportunities, peer reviews, and more. Completed customer discovery, market analysis, sales/marketing strategies, and manufacturing analysis.

07/2018 - 08/2018 **Camp Counselor, Camp Sankanac** - Spring City, PA

Fulfilled supervisory responsibilities and mentoring for boys aged 7-16 with the aim of providing a healthy, safe, enjoyable camp experience at a residential summer camp. Planned and taught a variety of electives and worked as part of a team to reach camp objectives.
